SUPPLEMENTARY WATER AVAILABLE FOR MACQUARIE RIVER USERS

16 September 2010

The NSW Office of Water has approved a limited supplementary event (off-allocation period) in the Macquarie River Valley.

State Water, Water Delivery Manager for Central Valleys, Mr Sri Sritharan said that the limited event would be available to Macquarie River water users downstream of **Wellington** due to recent rainfall and flows in the tributary streams.

The supplementary event of **54 hours** will be available on the following days and times in the following river sections ;

D/S Wellington to Baroona	12 noon 16/09/10 – 6pm 18/09/10
Baroona to Gin Gin Weir	12 noon 16/09/10 – 6pm 18/09/10
Downstream Gin Gin weir to Warren Weir	12 noon 17/09/10 – 6pm 19/09/10
Warren Weir to Marebone Weir	12 noon 18/09/10 – 6pm 20/09/10
Downstream Marebone Weir	12 noon 20/09/10 – 6pm 22/09/10
Marebone Break/Bulgeraga Ck. U/S Gradgery Lane	12 noon 20/09/10 – 6pm 22/09/10
Bulgeraga Creek D/S Gradgery Lane	12 noon 21/09/10 – 6pm 23/09/10
Gunningbar/Duck/Crooked Creeks	12 noon 20/09/10 – 6pm 22/09/10

Supplementary water will only be available to those irrigators who contact State Water's Customer helpdesk to place orders and provide current meter readings.

Water users are responsible for contacting State Water to confirm their dates for access to supplementary event.

Dates for starting and finishing supplementary access may vary, depending on stream flow. Water users must contact the Warren office daily on **0457 732 654** to confirm the supplementary event availability and dates applicable to them.

Any extractions outside the confirmed dates and any extractions exceeding account balances of supplementary access licences will lead to compliance action, including debiting from other licences linked to the same works.

State Water will continue to assess river flows and, if possible, may extend or vary the availability of the supplementary event.

To place orders, phone the customer helpdesk on 1300 871 077 or fax to 1300 871 447 or place online with iWAS.
