

Executive Manager Operations

Outstanding leadership role:

- √ Drive core business delivery
- √ Operate at the cutting edge of national policy
- √ Choose a tree change to a major regional centre
- √ Collaborate in a dynamic leadership team
- √ Flexible family friendly workplace

State Water is a medium-sized water corporation seeking a number of new executives to join the current team as it strives to build on its strengths. If you're a great leader who would thrive on the challenge of operating \$3.5 Billion in assets and NSW's leading bulk water delivery business join our team and enjoy a regional lifestyle in Dubbo, Albury or Tamworth.

About the position...

This is a fantastic opportunity to use your experience and strong business acumen to work closely with stakeholders to manage works and maintenance, assets and river operations to meet the needs of customers, communities and the environment in regional NSW.

About you...

You will have:

- Led a commercial service delivery and infrastructure business
- Implemented an innovative, commercial and committed approach to achieving the business vision
- Led a multidisciplinary dispersed team
- Strong communication skills including the capacity to prepare complex reports, correspondence and presentations
- Knowledge of the water industry and associated key government policies and objectives.

This opportunity will provide an exciting future as State Water develops new commercial opportunities in the dynamic and vital water industry.

Enquiries to Rod Smith on 02 6841 2024, applications must be received by 13 February 2012.

Taking care of our people
