

Regulatory Analyst

State Water Corporation (State Water) is New South Wales' rural bulk water delivery business that constantly strives to achieve its vision of excellence and growth. We are looking for an enthusiastic and experienced Regulatory Analyst based in Dubbo or Sydney, for a period of 18 months.

About the position...

This is a great opportunity to assist in the development of strategic advice and analysis of Government policy in matters affecting State Water. Input into regulatory affairs, including pricing submissions to the Australian Competition and Consumer Commission and the development of the annual Statement of Corporate Intent is also an important part of the role.

About you...

You will have;

- Tertiary qualifications or experience in economics/finance, business management or natural resources
- Sound analytical, research, conceptual, policy development and problem solving skills
- Excellent communication skills with demonstrated ability to contribute to and operate effectively within a multidisciplinary team

Remuneration & benefits

For the right person State Water can offer great career development and the opportunity to develop broader skills in this critical industry. An attractive salary range from \$72,770 to \$85,560 applies, plus 9% superannuation, working a 9 day fortnight.

Closing Date:

5 February 2012
