

**Senior Environmental  
Assessment Officer**State  
water

State Water is an innovative, medium-sized water corporation that services regional NSW from 42 locations throughout the state. We are currently looking for an enthusiastic Senior Environmental Assessment Officer based in Parramatta.

**About the position ...**

This is a fantastic opportunity to join a dynamic and dedicated Strategic Assets Team. You will undertake environmental and planning assessments, approvals and compliance, provide specialist advice for all major capital and operational projects implementation while ensuring environmental and heritage assets are preserved.

**About you ...**

You will have tertiary qualifications at degree level in Planning and /or Environmental Science; thorough understanding of EP&A Act along with experience in development assessment of infrastructure projects; sound knowledge of environmental impacts associated with construction and operation of water infrastructure facilities.

**Remuneration & benefits ...**

For the right person State Water can offer great career development and the opportunity to develop broader skills in this critical industry. An attractive salary of \$78,900 also applies.
