

OFF-ALLOCATION AVAILABLE IN PEEL RIVER

1 June 2010

State Water advises that off-allocation flows in the Peel River downstream of Paradise weir to the Namoi junction will be available from **8am today, Tuesday 1 June 2010.**

Recent rains have resulted in flows in the Peel River downstream of Paradise weir. Off-allocation is now available in sections 2 and 3 of the Peel River to the Namoi junction.

Water users must phone 1300 662077 to place water orders for off-allocation and to forward meter readings.

Please note:

It is a requirement of your licence to order off-allocation water.

Water users who do not order their water in these periods will have the usage debited to their on-allocation accounts.

**For account and off allocation enquires please phone State Water
on 1300 662077**
