

PEEL RIVER OFF-ALLOCATION TO END

6 October 2009

State Water advises that surplus flows in the Peel River have fallen below levels required for off allocation pumping.

Access to off allocation pumping from the Peel River must stop at 9:00am today, **Tuesday 6 October 2009**.

Off allocation is now finished in all sections.

Licence holders are reminded that all water extracted from the river needs to be ordered, without exception, as per your licence conditions. To ensure efficient water delivery, water ordering is mandatory.

Water users can contact:

- Tim Budd, Customer Service Officer, to report final meter readings; and
- Roger Hunt, River Operator, to place general security orders.

For further information, please contact:
