

SUMMER RELEASES FOR THE NAMOI VALLEY

15 February 2010

At the recent Namoi Peel customer service committee it was agreed to send a final customer survey out to determine an end date for the 2010 Summer irrigation season.

Customers can assist State Water with meeting their water requirements by filling in the attached survey regarding the timing and volume of flows required during the following month. The completed survey is to be faxed to (02) 67923950 by 8am Friday 19 February 2010.

Customers are reminded water orders are able to be placed through iWAS seven days a week, though orders must be placed by 8am on the required release date.

Water orders can also be faxed to 1300 871 447 or emailed to Northorders@statewater.com.au **Monday to Friday**, and need to be received by 8am on the day of required release. Orders received after 8am will be released the following day.

It is anticipated that releases will not recommence from Keepit Dam until early May 2010.

For further information regarding water delivery contact: Mary Fielder (02) 6799 6641.

State Water will continue to monitor water resources and weather conditions and if conditions change will review planned water delivery arrangements. State Water wishes to thank users for their co-operation and looks forward to helping achieve the greatest productivity from the available water.
