

## SUMMER SUPPLEMENTARY ACCESS

8 March 2011

State Water wishes to advise that due to recent rainfall, Access to Summer Supplementary flows in the Dumaresq River from the Pike Creek junction to the Macintyre junction and in the Macintyre River from Pindari Dam to Goondiwindi weir is available as of 16:00 today 8 of March.

Customers are also reminded that it is a requirement to order supplementary water.

Customers wishing to extract supplementary (Off Allocation) water must place a complying water order using one of the following options, failure to submit a water order will result in any extraction being debited to a regulated account:

- Accessing [www.statewater.com.au](http://www.statewater.com.au) and logging on to your iWAS account.
- Faxing your order to **1300 871 447**
- Emailing your order to [northorders@statewater.com.au](mailto:northorders@statewater.com.au)

(Water order forms are available from the State Water web site)  
[www.statewater.com.au/water-order-application](http://www.statewater.com.au/water-order-application)

At the completion of pumping supplementary water the finish reading must also be notified by using one of the above methods. Failure to supply a water order and the finish reading will result in any water extracted being debited to a regulated account.

Customers are reminded that all water extracted from the river will need to be ordered without exception as per your licence conditions.

State Water wishes to thank users for their cooperation and looks forward to helping achieve the greatest productivity from the available water.

Customers can contact Roger Hunt on (07) 4671 6130 for all water delivery issues. The phone number for account inquires is 1300 662 077.
