

SUPPLEMENTARY WATER ACCESS FOR GWYDIR VALLEY

30 January 2012

NSW Office of Water announced today that limited periods of access to supplementary water is available in the Gwydir valley.

Customers wishing to access supplementary water must place a complying water order using one of the following options:

- Accessing www.statewater.com.au and logging on to your iWAS account.
- Faxing your order to 1300 871 447
- Emailing your order to northorders@statewater.com.au

(Water order forms are available from the State Water web site)

At the completion of pumping supplementary water the finish reading must be notified by using one of the above methods. Failure to supply a water order and the finish meter reading will result in any water extracted being debited to general security accounts.

Attached on page 2 of this notice are the access licences that are participating in the current supplementary event and are able to extract water under the announcements made today, and the total available volume that can be extracted. Water orders are to be placed using the volume provided.
