

OFF-ALLOCATION TO END IN PEEL RIVER (Chaffey to Paradise Weir)

20 January 2010

State Water advises that off-allocation flows in the Peel River downstream of Chaffey Dam to Paradise Weir (section one) will end from **12:00 pm today, Wednesday 20th January 2010.**

Flows in the Peel River downstream of Chaffey Dam have reduced to below levels required for off allocation pumping.

Off allocation is still available in section two and three.

Water users must contact:

- Roger Hunt, River Operator, to report meter readings and to place orders for allocation water.

Please note: Licence holders are reminded that all water extracted from the river needs to be ordered, without exception, as per your licence conditions. To ensure efficient water delivery, water ordering is mandatory.

For further information, please contact:

For water orders:

Roger Hunt

River Operator
