

SUPPLEMENTARY WATER ACCESS FOR MURRUMBIDGEE – UPDATE

30 June 2011

NSW Office of Water announced today that further periods of access to supplementary water in the Murrumbidgee Valley are available (see page 2 for details of supplementary availability).

Customers wishing to access supplementary water must place a complying water order using one of the following options:

- Accessing www.statewater.com.au and logging on to your iWAS account.
- Faxing your order to **1300 871 447**
- Emailing your order to southorders@statewater.com.au
- Telephoning your order to **1300 662 077** During business hours

(Water order forms are available from the State Water web site

www.statewater.com.au/water-order-application

General security license holders can access without debit not more than 0.7 ML/share from those reaches and at those times when supplementary flows have been declared.

At the completion of pumping supplementary water the finish reading must be notified by using one of the above four options. Failure to supply the finish reading will result in any water extracted being debited to general accounts.

State Water will continue to monitor the situation closely and will provide regular updates as more information becomes available.

For further information contact the Operations Officer, State Water Southern Valleys, Leeton (02) 6953 9800.

(See page 2 for details of supplementary availability).
