

ADVICE ON UNCONTROLLED AND SUPPLEMENTARY WATER EVENTS

BEGA AND BROGO REGULATED RIVERS

16 May 2011

Following the commencement of the water sharing plan for the Bega and Brogo Regulated Rivers the following additional pumping opportunities are available in the Bega and Brogo Regulated Rivers from midday, Monday 16 May 2011.

River Reach	Uncontrolled flow access	Supplementary flow access
Brogo Dam to North Brogo	Yes	No
Brogo River from North Brogo to Angledale	Yes	Yes
Brogo River from Angledale to Bega River junction	Yes	Yes
Bega River	No	No

Please see previous State Water advice on uncontrolled and supplementary flow events.

To ensure that pumped water is debited against the appropriate water account, customers are reminded to advise the water order service of meter readings within 7 days of the stopping of pumping during any of these events.

Meter readings to:
