

ADVICE ON UNCONTROLLED AND SUPPLEMENTARY WATER

BEGA AND BROGO REGULATED RIVERS

31 May 2011

The flows in the Bega and Brogo Regulated Rivers allow the announcement of the following special periods of access to uncontrolled flows and for supplementary water access licences from noon, Tuesday 31 May 2011.

River Reach	Uncontrolled flow access	Supplementary water access licence access
Brogo Dam to North Brogo	Yes	Yes
Brogo River from North Brogo to Angledale	Yes	No
Brogo River from Angledale to Bega River junction	Yes	Yes
Bega River	Yes	Yes

Please see previous State Water advice on uncontrolled and supplementary flow events.

To ensure that pumped water is debited against the appropriate water account customers are reminded to advise the water order service of meter readings within 7 days of the stopping of pumping during any of these events.

Meter readings to:
